# ABOUT TRIP

- Nepal is a landlocked country located in South Asia. It is bordered by China to the north and India to the south, east, and west.
- The capital city of Nepal is Kathmandu, and the country has a population of approximately 30 million people.
- Nepal is known for its stunning natural beauty, with the Himalayan mountain range dominating the northern part of the country. Mount Everest, the highest peak in the world, is located in Nepal. The country also has a diverse geography, with lush jungles in the south and fertile plains in the center.
- Nepal has a rich cultural heritage, with a blend of Hindu and Buddhist traditions. Many important religious sites are located in Nepal, including the famous temple complex at Pashupatinath, which is a UNESCO World Heritage site. Nepal is also home to numerous ethnic groups, each with their own unique customs and traditions.
